

Overview

Grade Levels Served: 9-12

Students Served: Serving students who are overage or undercredited.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

Designed to help high students who are behind in credits, **Chester Upland Excel Academy** is an accelerated school focused on credit recovery and graduation readiness where students feel safe, seen, and supported.

Relationships are at the heart of our school. We get to know each student to identify their individual needs, challenges, and strengths, and then provide the care, counseling, and support needed to help them succeed in school—and in life.

In a smaller, more personal setting than a traditional high school can provide, Chester Upland Excel Academy is an accelerated program that provides Chester-Upland School District students with the opportunity to earn credits, making it possible for them to graduate.

Learning Pathways

Accelerated: Credit Recovery and Graduation Readiness

We help over-age and/or under-credited students regain academic ground and stay on track for grade level promotion and graduation, paving the way for long-term success.
