HIGH ROAD UPPER SCHOOL OF PRINCE GEORGE'S COUNTY

High Road Upper School of Prince George's County is where students with academic, emotional, and behavioral needs uncover their potential through individualized learning that goes beyond what most classrooms can offer. In our private day schools, we meet each student where they are.

Smaller class sizes and high-quality, student-centered instruction allow our teachers, therapists, and staff to build strong connections with each student in nurturing, respectful, structured, and positive learning environments.

Drawing from a comprehensive range of specialized services, High Road School educators implement Individualized Education Programs (IEPs) to help each student shine—at school, at home, and in the community.

Overview

Grade Levels Served: 9-12

Students Served: Serving students with Autism Spectrum Disorder, Emotional Disability, Intellectual Disability, Multiple Disabilities, Other Health Impairments, and Specific Learning Disabilities

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

Learning Pathways

Spark: Academic and Behavior Support
We inspire students to achieve academic success by helping them strengthen their behavioral and learning abilities through a district-aligned curriculum designed to lead the way to less restrictive settings.

Spring: Instruction and Life Skills
We support student performance through a tailored combination of academic, behavioral, and functional communication support to help ensure sustainable growth in more traditional classrooms.

Bloom: Functional Communication and Daily Living
We foster engagement in students diagnosed with autism and cognitive disabilities by helping them strengthen functional academic, communication, and life skills in a nurturing, supportive environment.
