

Overview

Grade Levels Served: 7-12

Students Served: Serving general education students and students with Emotional Disability, Learning Disabilities, Multiple Disabilities, Other Health Impairment, and Specific Learning Disability. Serving students who are overage or under-credited, or removed from a traditional school setting for serious behavioral violations.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

Designed to help middle and high school students who have behavioral challenges or are behind in credits, **Rubino Academy** works in partnership with nine school districts in Mercer County, New Jersey, to provide an educational setting where students feel safe, seen, and supported.

Relationships are at the heart of our school, and we get to know each student to identify their individual needs, challenges, and strengths, and then provide the care, counseling, and support needed to help them succeed in school—and in life.

Transitional: Re-engagement and Rebuilding

We re-engage students in their educational journey by helping them build the academic and emotional skills necessary to succeed in less restrictive settings and reach new milestones.
