Overview

Grade Levels Served: K-8

Students Served: Serving students with Emotional Disability and Other Health Impairment.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

KAPS Academy of Philadelphia helps students improve attendance rates, gain access to community resources, show demonstrated growth in reading and math, and begin to enjoy going to school every day. We are committed to providing each student with personalized attention and care to help them thrive.

Based on nurturing a positive peer culture, KAPS utilizes a research-based behavioral modification model that cultivates pro-social behaviors and leadership skills through early interventions and tangible rewards. Our students earn field trips and other incentives and learn to embrace personal accountability for behavioral and academic success.

Learning Pathway

Early Behavioral: Elementary Therapeutic and Behavior Support

We help young learners with intensive behavioral needs by providing therapeutic, targeted support in small, nurturing classes. In this positive and safe environment, students can grow socially, emotionally, and academically.
