
FCS PEAK ACADEMY

Overview

Grade Levels Served: 6-12

Students Served: Serving students with Autism Spectrum Disorder, Emotional Disability, Learning Disabilities, Multiple Disabilities, Other Health Impairment, and Specific Learning Disability. Serving students who are overage or under-credited, or removed from a traditional school setting for serious behavioral violations.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

Based on nurturing a positive peer culture, **FCS PEAK Academy** utilizes a research-based behavioral modification model that cultivates pro-social behaviors and leadership skills through early interventions and tangible rewards. Our students earn field trips and other incentives, and learn to embrace personal accountability for behavioral and academic success in an environment that values respect, teamwork, and high standards.

In partnership with Fulton County Schools, our school helps students in grades 6-12 increase attendance rates, gain access to community resources, show demonstrated growth in reading and math, and begin to enjoy going to school every day with the goal of successfully returning to their home schools.
