

Designed to help middle school students who aren't reaching their full potential in larger classroom settings, **Excel Middle Years Academy** is a school where students feel safe, seen, and supported.

Relationships are at the heart of our school. We get to know each student to identify their individual needs, challenges, and strengths, and then provide the care, counseling, and support needed to help them succeed in middle and high school.

## Overview

**Grade Levels Served:** 6-8

**Students Served:** Serving students who are struggling in a comprehensive setting and need a smaller school environment.

**Support. Prevent. Connect:** Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

**Staff:** Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

## Learning Pathway
