

High-Impact Tutoring **Drives Gains in Engagement & Academic Achievement**

One of Nevada's **top five largest school districts** was seeking solutions to accelerate student growth in math and reading while also addressing post-pandemic attendance challenges.

To achieve this, the district partnered with Catapult Learning during the 2023-24 school year to implement **in-person high-impact tutoring**. Students participated in 45-minute sessions two to four times per week, utilizing Catapult's proprietary math and literacy curriculum designed to address the unique needs of each learner.
