Overview

Grade Levels Served: 9-12

Students Served: Serving students who are struggling in a comprehensive setting and need a smaller school environment.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

Philadelphia Continuation Academy is designed to help students reset and refocus, our school serves students in grades 9-12 who are referred by the School District of Philadelphia due to the need for a smaller environment and additional supports.. Our structured, respectful, and nurturing environment meets each student where they are, providing consistent support and clear expectations.

Our students learn to embrace personal accountability for behavioral and academic success in an environment that values safety, respect, teamwork, and high standards. By recognizing the unique value and talent of each student, building strong relationships with them and their families, and celebrating their daily successes, we help students who haven't been able to participate in a regular classroom setting thrive at school, at home, and in their communities.
