

With smaller class sizes and a more personal setting than traditional high schools can provide, **Phoenix Academy** works in partnership with the School District of Lancaster to help students who aren't reaching their full potential—or are behind in credits—catch up.

Relationships are at the heart of our school. We get to know each student to identify their individual needs, challenges, and strengths, and then provide the care, counseling, and support needed to help them succeed in school—and in life. Our tuition-free, school of choice provides an environment that values respect, teamwork, and high standards, and helps your student feel safe, seen, and supported.
