

Overview

Grade Levels Served: 6-12

Students Served: Serving students with Emotional Disability, who are overage or under-credited, or removed from a traditional school setting for serious behavioral violations.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

By helping students overcome significant trauma they often have experienced, **Seashore Leadership Academy** supports behavioral, social, and academic development in a nurturing, respectful, and safe environment. Our school helps middle and high school students improve attendance rates, gain access to community resources, and show demonstrated academic growth.

Through smaller classroom sizes and individualized support, we develop meaningful relationships with each student to help them feel empowered to develop the skills and strategies they need to succeed academically and socially.

Learning Pathways

Transitional: Re-engagement and Rebuilding

We re-engage students in their educational journey by helping them build the academic and emotional skills necessary to succeed in less restrictive settings and reach new milestones.

Accelerated: Credit Recovery and Graduation Readiness

We help students who are overage or under-credited for their grade level regain academic ground and stay on track for grade-level promotion and graduation, paving the way for long-term success.
