

Overview

Grade Levels Served: K-12

Students Served: Serving students with Emotional Disability, Intellectual Disability, Learning Disabilities, Multiple Disabilities, Other Health Impairment, and Specific Learning Disability.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

In partnership with the Southeast Delco School District, Delco Academy helps students increase attendance rates, gain access to community resources, show demonstrated growth in reading and math, and begin to enjoy going to school every day.

Based on nurturing a positive peer culture, Delco Academy utilizes a research-based behavioral modification model that cultivates pro-social behaviors and leadership skills through early interventions and tangible rewards. Our students earn field trips and other incentives, and learn to embrace personal accountability for behavioral and academic success in an environment that values safety, respect, teamwork, and high standards.
