

SAFE ACHIEVE

— A C A D E M Y —
OF CHICAGO

Overview

Grade Levels Served: 6-12

Students Served: Serving students who were removed from a traditional school setting for serious behavioral violations.

Support. Prevent. Connect: Our Integrated Multi-Tiered Systems of Support are the foundational pillars of everything we do. We support each student's needs; we prevent barriers to learning; and we connect with students, staff, and stakeholders to help ensure the best outcomes in school and life.

Staff: Our educators shine a positive light on students, uncover the unique learner within, and make a lasting impact.

Safe Achieve Academy of Chicago helps students reset and refocus. We support middle and high school students referred by the Chicago Public Schools due to behavioral challenges. Our structured environment is designed to meet each student where they are, providing consistent support and clear expectations.

Focused on academic growth, pro-social behavior, and emotional wellness our transitional program helps students succeed in school—and in life. We work closely with students and families to set clear goals for attendance, conduct, and coursework.

Transitional: Re-engagement and Rebuilding
