Sierra School is a nonpublic, special education school with one overarching goal in mind: to provide an educational program that will make a difference in the lives of children. We want people to realize that children who face academic and behavioral challenges *can* be successful. To achieve this goal, Sierra School adheres to the following set of Core Values:

- We build the confidence and competence of children facing learning, language, and social challenges through personalized, academic interventions.
- We are committed to achieving success with each student even in the face of obstacles, challenges, and excuses.
- We are committed to preparing youth to become responsible adults who are able to participate in their communities and lead self-fulfilling lives.
- We never give up on a child.

To assist our students in finding success, and to expedite their transition back into the public-school system, Sierra School utilizes standards-based curriculum and a unique rotational model that provides students with both direct and full-group instruction. Sierra School also provides a myriad of related services including, but not limited to: individual and group therapy, speech therapy, occupational therapy, physical therapy, life skills training, and art therapy. Sierra School also offers an adult transition program for students 18-22 years. ## **B. Pupil Outcomes**

#### **State Priority: Pupil Achievement**

Career Technical Education (CTE) Programs (School Year 2023–24)

Sierra School offers a comprehensive Career/Life Skills program designed to prepare students to enter the community and workplace after they exit high school. Through our hands-on, interactive approach, students are exposed to basic life and vocational skills that apply to real-world settings and these skills are directly in line with the students' Individualized Education Plan (IEP). Students in the program will be responsible for creating their own portfolio, which will include such items as résumés, sample job applications, mock interview questions, industry tour information, community outing reflections, planning guides, and a library card. Many students will also have the opportunity to participate in work experiences at various job sites in the community based not their areas of interest and skill set. Sierra's Life Skills program utilizes "experience-based learning" that stresses direct participation in order to increase motivation, acquisition, and retention of the skills being taught.Career Technical Education (CTE) Participation (School Year 2023–24)
